

THE 5TH ANNUAL

G O L F *Tournament*

“ PAYING IT FORWARD ”

To whom it may concern,

Keepin It Paisa (KIP) is organizing its 5th annual golf tournament. We are excited to make this year's tournament bigger and better than in the past and we want to invite you to be a part of this great cause! This year's tournament will be held Friday May 25th at the Cherry Island Golf Course.

We are strong believers in “paying it forward” and put on this annual tournament to raise and donate funds for a great cause. We have been raising money for students enrolled in the College Assistance Migrant Program (CAMP) at the Sacramento State University. This year our goal is to reach out to other Sacramento State students that come from similar backgrounds as ourselves and inspire them to follow their dreams.

As CSUS alumni's, and former CAMP students ourselves, we hold this program dear to our hearts. This is a great educational program that offers guidance and support services to students from migrant and seasonal farm worker backgrounds. The program not only helps incoming students with the University application process but also helps facilitate the transition from high school to college. CAMP is dedicated and committed to helping students succeed at California State University, Sacramento. This program is a great resource for migrant students who otherwise wouldn't know where to begin or how to apply to the University. CAMP provides individual and group counseling, connects students to other support programs on campus, as well as provides a close-knit friendly atmosphere for students to feel safe.

We are respectfully requesting in-kind donations to support this fundraising event. Your support would be greatly appreciated and would go a long way in supporting students to pursue their goals and continue their education.

You can read more about CAMP at: <http://www.csus.edu/camp/index.html>

For more information about Keepin It Paisa you can visit:
